Page 8

Three photos of Post-invasion destruction in Guam's capital of Agana captioned "Ironically, most of the damage had been done by our own invading forces. But as a native in the rubble-strewn streets of Agana said, 'When bombs come we say bomb more! Bomb more! Chase and kill them out. Mister Sam come back to fix us up.' The coming of American Forces was painful but the Guamanians welcomed our return which brought with it food, clothing, and healing care."
